

OVERTONE

Overtime worked for each 2 pay periods:

22 January-18 February	272 hours	34 man-days
19 February-18 March	350 hours	43 man-days
19 March-15 April	255 hours	32 man-days

Three persons vacations had to be postponed until the last of the year before vacations could be taken and then those remaining on duty had to work overtime to keep even half up to date.

One person through no fault of his own had to lose leave at the end of the year.

One person was ordered by his doctor to take off work due to overwork and nervous tension.
